UK/DK Smart Cities Networking Event

Connecting the UK and DK within the Smart City space

**Location: Ambassador's
Residence in Copenhagen**

Date: Tuesday 11th November 2014

Time: 13.00-18.00

The Smart Cities Networking event at the British Ambassador's Residence in Denmark will bring together key stakeholders within the Smart City space in the UK and Denmark.

The aim of this event is to connect UK leading smart city suppliers with Danish decision-makers in local and central government. This will provide Danish stakeholders with an opportunity to network and knowledge share with their UK equivalents and to talk with UK companies supplying high quality smart city solutions.

UK Trade & Investment's Smart Cities networking event is aimed at Danish organizations interested future smart cities. The forum will offer attendees the opportunity to:

- ✓ Gather and share intelligence about future trends within the Smart City space particularly at municipality level.
- ✓ Meet and establish relationships with fellow decision makers.
- ✓ Learn more about the UKs expertise and ongoing projects in the Smart City space.
- ✓ Engage with UK suppliers offering smart city solutions, products and services.

Registration

To register your interest for this event please contact Emilie J. Mortensen at: Emilie.mortensen@mobile.ukti.gov.uk and/or (0045) 35445280

The closing date for submissions is Friday 17th October 2014.
